

The image features a vibrant blue background with a thick red border. In the center, the words "BUILDING TOYS" are written in a bold, white, sans-serif font. The text is partially overlaid by several red geometric shapes: a large vertical rectangle behind the word "BUILDING", a horizontal rectangle above it, another horizontal rectangle below it, and two thin vertical rectangles flanking the word "TOYS". Additionally, there are four solid red circles, one in each quadrant of the image, positioned around the central text and shapes.
