Office for the Architects
Libling, Michener & Associates
Winnipeg
The offices of Libling, Mischner & Associates are located on the third floor of an old office building in downtown Winnipeg. The materials used in the renovation were wood, rough plaster, paint, and carpeted flooring (in the public areas). The elevator service opens directly into the reception area. The drawing areas are divided by drapery, and are white with suspended fluorescent lighting.

1. Reception area.
2. Looking towards board room and drafting area from receptionist’s desk.
3. Contractor plan reading area.
4. Board room.
5. Private office.  6. Drafting tables.
7. Conference room.  8. Drafting area.
9. Plan reading room looking toward drafting area.
